
Jeffrey B. Wagman, Ph.D.

Department of Psychology, Illinois State University, Campus Box 4620, Normal, Illinois 61790

• Phone: 309.438.7888 • Fax: 309.438.5789 • email: jbwagma@ilstu.edu

website: www.psychology.ilstu.edu/jbwagma

Employment

2009-Present Associate Professor; Dept. of Psychology, Illinois State University, Normal, IL, USA

2003- 2009 Assistant Professor; Dept. of Psychology, Illinois State University, Normal, IL, USA

Education

Ph.D., University of Connecticut, Storrs, CT (2004)

Experimental Psychology, Ecological Psychology Program

B.A., Franklin & Marshall College, Lancaster, PA (1998)

Psychology, Cum Laude with Departmental Honors

Honors and Awards

- Illinois State University Grant Writing Mentorship Award (2008)
- Illinois State University Research Initiative Award (2006)
- College of Arts and Sciences Research Initiative Award (2006)
- Beckman Institute for Advanced Science and Technology Fellowship (2003, Declined)
- NSF Graduate Research Fellowship, Honorable Mention (1999)
- Phi Beta Kappa (1998, Franklin & Marshall College)

Grants

- Illinois State University Faculty Research Award (2009, \$3000)
- Illinois State University CAS Domestic Travel Grant (2008, 2006)
- Illinois State University CAS International Travel Grant (2008, 2007)
- Illinois State University Summer Faculty Fellowship (2007, \$5000)
- Illinois State University Grant Writing Initiative Award (2005, \$3000)
- Illinois State University Pre-Tenure Faculty Initiative Grant (2005, \$2500)
- Illinois State University New Faculty Initiative Grant (2004, \$2500)
- University of Connecticut Doctoral Dissertation Fellowship (2003)
- University of Connecticut Doctoral Dissertation Extraordinary Expense Award (2003)

Conferences and Conference Symposia Organized

- Wagman, J.B., & Higuchi, T., (2009). Prospectivity in perception-action. Symposium presented at the Fifteenth International Conference on Perception and Action, Minneapolis, MN.
- Wagman, J.B., & McBride, D. M. (2007) Conference Organizers: Illinois Data 2007, Normal, IL.
- Wagman, J.B., & Higuchi, T., (2007). Perception-action dynamics of the person-plus-object system. Symposium presented at the Fourteenth International Conference on Perception and Action, Yokohama, Japan.
- Jordan, J. S. & Wagman, J. B. (2004). Dynamic Spatial Cognition. Symposium presented at the 2004 Annual Meeting of the Midwestern Psychological Association, Chicago, IL.
- Wagman, J. B. (2001). Tools and Tool Use: The Animal-Environment Interface. Symposium presented at the Eleventh International Conference on Perception and Action, Storrs, CT.

Invited Lectures

- Wagman, J.B. (2009). Title to be determined. Invited Lecture, University of Connecticut, Storrs, CT.
- Wagman, J. B. (2009). Hard and soft constraints influence willingness to pass under a barrier. Invited Lecture, Purdue University, West Lafayette, IN.
- Wagman, J. B. (2008). Perception-action dynamics of attachments to the body. Invited Lecture, Tactile Research Group Meeting (Pre-Conference to 49th Meeting of the Psychonomic Society). Chicago, IL.
- Wagman, J. B. (2008). Which feels heavier—a pound of lead or a pound of feathers? Invited Lecture. Department of Psychology, Franklin & Marshall College, Lancaster, PA.
- Wagman, J. B. (2008). Which feels heavier—a pound of lead or a pound of feathers? Invited Lecture, Department of Psychology, Grinnell College, Grinnell, IA.

- Wagman, J. B. (2007). Perceiving the future (in a completely non-supernatural way). Invited Lecture, Sigma Xi, Illinois Wesleyan University, Bloomington, IL.
- Wagman, J. B. (2004). Dynamic touch and the user-tool-environment interface. Invited Lecture. Department of Psychology, University of Illinois, Urbana-Champaign, IL.
- Wagman, J. B. (2003). Haptic perception of tool function and its improvement. Invited Lecture, Department of Psychology, New York University, New York, NY.
- Wagman, J. B. (2001). Tools and Tool Use, Dynamic Touch, and Ecological Psychology. Invited Lecture, Department of Psychology, Franklin & Marshall College, Lancaster, PA.

Conference Presentations and Workshops

- Wagman, J. B. (2009). Perceiving nested affordances: Investigating a perceptual constancy of affordances. Paper presented at the Fifteenth International Conference on Perception and Action, Minneapolis, MN.
- Higuchi, T., Murai, G., Kijima, A., Imanaka, K., & Wagman, J. B. (2009). Prospective control in running through apertures by American football players. Paper presented at the Fifteenth International Conference on Perception and Action, Minneapolis, MN.
- Wagman, J. B., & McBride, D. M. (2009). What is the relationship between perceptual learning and frequency of feedback about task performance? Paper presented at Illinoisy Data 2009, Edwardsville, IL.
- Wagman, J. B. (2009). Perceiving the future (in a completely non-supernatural way). Paper presented at the Institute for Prospective Cognition In-House Workshop, Normal, IL.
- Wagman, J. B. (2008). Potential costs of behavior influence willingness to pass under a barrier. Paper presented at Illinoisy Data 2008, Carbondale, IL.
- Wagman, J. B. (2007). Affordances for upright posture and the person-plus-object system. Paper presented at the Fourteenth International Conference on Perception and Action, Yokohama, Japan.
- Wagman, J. B., Zimmerman, C., & Sorric, C. (2007). A pound of lead feels heavier than a pound of feathers. Paper presented at Illinoisy Data 2007, Normal, IL.
- Regia-Corte, T., & Wagman, J. B. (2007). Perception of affordances for standing depends on height of center of mass. Paper presented at Illinoisy Data 2007, Normal, IL.
- Wagman, J. B. (2006). Am I taller if I am in a hurry? Paper presented at the 2006 Show Me Mental State Conference on Cognition, St. Louis, MO.
- Wagman, J. B., Taylor, K. R., Minarik, J. L., Hopkins, K. M. (2005). Can I fit through there while carrying this? Paper presented at the Thirteenth International Conference on Perception and Action, Monterey, CA.
- Wagman, J. B. (2004). Human factors implications of controlling user-tool-environment interfaces. Paper presented at the Human Factors Society 48th Annual Meeting, New Orleans, LA.
- Wagman, J. B. (2004). Perceiving space by touching things. Paper presented at the 2004 Annual Meeting of the Midwestern Psychological Association, Chicago, IL.

- Wagman, J. B. (2004). Acoustic specification of object properties. Paper presented at the 2004 Conference of the Center for the Cognitive Study of the Moving Image: Narration, Imagination, and Emotion in Moving Image Media, Grand Rapids, MI.
- Wagman, J. B. (2003). Ecological Psychology and Transactionalism: Perception as a Function of Development, and Vice Versa. Paper presented at the 12th International Conference on Perception and Action., Gold Coast, QLD, Australia.
- Pagano, C., & Wagman, J. B. (2002). A tutorial on the inertia tensor. Workshop held at the North American Meeting of the International Society for Ecological Psychology, Oxford, OH.
- Wagman, J. B. (2001). Is motor program a biologically viable concept? Paper presented at the 11th Annual New England Sequencing and Timing Conference, New Haven, CT.
- Wagman, J. B. (2001). Grasping so as to: Creation of grip-dependent functional objects. Paper presented at the 11th International Conference on Perception and Action., Storrs, CT.
- Wagman, J. B., Carello, C., & Turvey, M. T. (2000). Affordances and dynamic touch: Implications for tool use. Paper presented at the North American Meeting of the International Society for Ecological Psychology, Clemson, SC.
- Wagman, J. B., Riley, M. A., Santana, M-V, Carello, C., & Turvey, M. T. (2000). Exploratory dynamics within exploratory procedures. Paper presented at the 71st Annual Meeting of the Eastern Psychological Association, Baltimore, MD.

Poster Presentations

- Wagman, J. B. (2009). Perceiving nested affordances. Poster presented at the 50th Meeting of the Psychonomics Society, Boston, MA.
- Wagman, J. B., & McBride, D. M. (2009). Improvements in perceptual accuracy scale to frequency of feedback about task performance. Poster presented at the Fifteenth International Conference on Perception and Action, Minneapolis, MN.
- Wagman, J.B., & Cabe, P. A. (2008). Perceptual learning in dynamic touch quantified by a perceptual learning index (PLI). Poster submitted to the 49th Meeting of the Psychonomic Society. Chicago, IL.
- Wagman, J.B., & Zimmerman, C. (2008). A pound of lead feels heavier than a pound of feathers...but only at first. Poster submitted to the 49th Meeting of the Psychonomic Society. Chicago, IL.
- Wagman, J.B. (2008). Geometric, kinetic, and intentional constraints influence willingness to pass under a barrier. Poster presented at A Natural-Physical Perspective on Perception-Action-Cognition, Storrs, CT.
- Wagman, J.B., Zimmerman, C., & Orr, J. J. (2008). A pound of lead feels heavier than a pound of feathers...but only at first. Poster presented at the XXIX International Congress of Psychology. Berlin, Germany.
- Wagman, J.B., & Regia-Corte, T. (2008). Perception of affordances for standing on an inclined surface depends on center of mass and experience. Poster presented at the XXIX International Congress of Psychology. Berlin, Germany.
- Regia-Corte, T., & Wagman, J. B. (2007). Perception of affordances for standing depends on height of center of mass. Poster presented at the 48th Meeting of the Psychonomic Society. Long Beach, CA.

- Wagman, J., Zimmerman, C., & Sorric, C. (2007, August). A pound of lead feels heavier than a pound of feathers: A potential perceptual basis of a cognitive riddle. Poster presented at the annual meeting of the Cognitive Science Society Conference. Nashville, TN.
- Wagman, J. B. (2007, July). Remote haptic perception of whether an object can be carried through a doorway. Poster presented at the Fourteenth International Conference on Perception and Action, Yokohama, Japan.
- Wagman, J. B., & Trefzger, A. J. (2007, July). Feedback on every trial is sufficient (but not necessary for) improvements in perceptual accuracy. Poster presented at the Fourteenth International Conference on Perception and Action, Yokohama, Japan.
- Wagman, J. B., DeWitt, J. K. (2007, May). Remote haptic perception and carrying objects through doorways Poster presented at the 2007 Annual Meeting of the Midwestern Psychological Association, Chicago, IL.
- Malek, E. A., & Wagman, J. B. (2007, May). Perception of stand-on-able slopes depends on distribution of body mass. Poster presented at the 2007 Annual Meeting of the Midwestern Psychological Association, Chicago, IL.
- Hitt, J. L., Alferink, L. A., Critchfield, T. S., & Wagman, J. B. (2007, May). The matching law and basketball tournaments. Poster presented at the 33rd Annual Convention of the Association for Behavior Analysis, San Diego, CA.
- Hitt, J. L., Alferink, L. A., Critchfield, T. S., & Wagman, J. B. (2006, October). The matching law and big ten basketball. Poster presented to the Mid-America Association for Behavior Analysis 6th Annual Convention, Carbondale, IL.
- Wagman, J. B., & Burtschi, K.. (2006, June). Exploratory wielding and perceiving the sweet spot of a striking implement. Poster presented at the North American Meeting of the International Society of Ecological Psychology, Cincinnati, OH.
- Wagman, J. B., Malek, E. A., & DeWitt, J. L. (2006, June). Perception of walk-under-ability while sitting and while standing. Poster presented at the North American Meeting of the International Society of Ecological Psychology, Cincinnati, OH.
- Wagman, J. B., & McCaw, S. T. (2006, June). Body-scaled perceptual boundaries in one-leg and two-leg landings. Poster presented at the North American Meeting of the International Society of Ecological Psychology, Cincinnati, OH.
- Wagman, J. B. (2006, May). Perceptual learning does not require feedback on every trial. Poster presented at the 18th Annual Association for Psychological Science Convention, New York, NY.
- Wagman, J. B. (2006, May). Perception of whether you can fit depends on intended speed. Poster presented at the 18th Annual Association for Psychological Science Convention, New York, NY.
- Wagman, J. B. & Malek, E. A. (2006, May). Perception of aperture crossability depends on style of locomotion. Poster presented at the 2006 Annual Meeting of the Midwestern Psychological Association, Chicago, IL.

- Andre, J., Wagman, J., Lookingbill, J., Muth, E., & Owens, D. A. (1997, May). The effect of a stressful task on visual adaptation to near work. Poster presented at the Annual Meeting of the Eastern Psychological Association, Washington, DC.

Courses Taught

Fundamentals of Psychology; Introductory Psychology; Laboratory in Research Methods (Perception); Cognition & Learning; Perception; Cognitive Science (Graduate Seminar)

Post-Doctoral Fellows Supervised

Tony Regia-Corte (February 2007- October 2007)

Master's Theses Chaired

Kona Taylor (2005): "Haptic and Visual Perception of Whether an Obstacle can be Stepped Over"
Eric Malek (2007): "Perception of whether a surface affords standing on"

Ad Hoc Reviews

Applied Cognitive Psychology (3), *Bird Behavior, Brain & Cognition* (3), *Canadian Journal of Experimental Psychology*, *Current Psychology Letters* (2), *Developmental Psychobiology* (2), *Ecological Psychology* (2), *European Review of Applied Psychology*, *Experimental Brain Research* (4), *Experimental Psychology* (3), *Human Factors and Ergonomics in Manufacturing*, *Journal of Experimental Psychology: Applied* (4), *Journal of Experimental Psychology: Human Perception & Performance* (7), *Philosophical Psychology* (3), *National Science Foundation* (4), *Perception* (7), *Theoretical Issues in Ergonomic Science* (2)

Professional Affiliations

Association for Psychological Science; Behavioral and Brain Sciences Associate; International Society for Ecological Psychology; Midwestern Psychological Association; Psychonomic Society

Member of Scientific Committee (2008-2009). Fifteenth International Conference on Perception and Action, Minneapolis, MN
